Graduation

Graduation for our Class of 2022 will take place tomorrow, Saturday, at 7:30 PM on the soccer field. You are welcome to come and celebrate with the graduates. As the Lord brings them to mind, pray that they will take all the truths that they have learned about Him with them as they go out into the world.

Report Cards

This summer, as with last summer, final report cards will be available online at the [FACTS Family Portal](#). Paper report cards will not be mailed home. If you need a copy of the report card for any reason, it can be printed from the online portal. Report cards should be available on the portal on Wednesday, June 15. Please be sure to print your report card, if you want a paper copy, by June 29. Explanations of comment numbers are available on our website on the Resources > Current Families page. For students in grades 1-8, achievement test reports will be mailed home once they are available, along with reading/math inserts for students in grades 1-5.

Tower Garden

A Tower Garden (indoor hydroponics system) has been donated to CCS in memory of Alicia Whisler by Juice Plus. Alicia was instrumental in our school's acquiring our first

Tower Garden which is located in our HS Science Department. This second Tower Garden is now located at the entrance of the elementary building. The elementary teachers and their classes will care for and grow many plants in this garden. There will be a plaque mounted next to the Tower Garden in memory of Mrs. Whisler. FAST Round 3

The third round of the FAST Tuition Assistance online application process for school year 2022-2023 is now open. The deadline for completing the FAST online application for this round is Wednesday, July 6, and the deadline for submitting all supporting documentation to FAST is Monday, July 18. Types of documentation requested include, but are not limited to, your most recent federal and state tax returns and W-2s. Cost of the application is \$48 per family. For a complete outline of the tuition assistance process, please go to the [Tuition Assistance](#) page on our website. To complete your online application, go to the [FAST link](#).

New in 9th?

This is a reminder that current 8th grade students who will enter high school next year will receive Chromebooks to use for their schoolwork. Chromebook information and a copy of the current Student Technology Policy, along with a link to an online agreement form, will be sent out during the summer months. Each student needs to provide his/her own carry case or book bag with a dedicated protected laptop section to fit an 11" Chromebook, so keep that in mind when shopping this summer.

Up for Adoption

Mrs. Nafziger has two albino white rats that are free to a good home. Her class is finishing their *Great Grow Along*

project and they need to find homes for the rats. Anyone Interested in adopting them should contact Mrs. Nafziger.

Summer Slip n' Slide!

Plan to join the fun at our Jr. Cougar summer party! Scheduled for August 2 (rain date August 4) from 1-3 PM is our annual Slip n' Slide on the back hill behind the high school. Invite your friends to come and experience the joy of being a part of CCS. Don't forget your towel! All elementary age students are welcome.

Survival Skills

Last week, students from Mr. Focht's Life, Safety, and Survival Skills Club went on a field trip to the woods of Victory Baptist Church to put their skills to the test. Divided into teams, the students had to select from a variety of items to use on their shelter. They then had to make one of the three types of emergency shelters they learned about (lean-to, debris hut, or a-frame). After embracing the initial discomfort of the bugs, humidity, and heat, the students had a great time working together. Unity is a core value at CCS, and it was good to see the students

Field Day Results

Last Friday's field day was amazing, and Mrs. Turner deserves a trophy for pulling it all together in spite of a rainy day. A fun time was had by all, and the Blue Team emerged victorious. Lots of photos of the events of the day can be seen in this [Facebook photo album](#).

Summertime at CCS

During the summer, the hours that the office is open here at CCS are Monday through Thursday, 9 AM - 2:30 PM, closed Fridays.

Near the end of July or beginning of August you will receive a summer newsletter with information about Back-to-School Night, supply lists, technology forms, etc. so keep an eye out for that!

If you know someone who is interested in our school, have them contact Michelle Parris to set up a tour! She can do tours throughout the summer.
