Tuition Assistance

Here's a reminder that the deadline for submitting all supporting documentation to FAST is **Monday, March 14**. Types of documentation requested include, but are not limited to, your most recent federal and state tax returns and W-2s. To complete your online application, go to the [FAST link](#).

Race for Education

Have you had a moment to update your Race for Education sponsors? If not please find the packet that was sent home with your child last week. The packet includes Information on how to update or add sponsors along with

other information on the upcoming event. Each student will have a blue sheet with past sponsors listed or a blank sheet if you are a new family. Take a moment to think through those close to your family that would be willing to support your child(ren). Some ideas are aunts & uncles, neighbors, Sunday School teachers, coaches, and others who have a vested interest in your child's welfare. Please fill out the sheet by hand and return it to your home room teacher by Tuesday, March 15th **OR it would be our preference if you would consider using the Google form found [HERE](#). You do not have to do both, pick the method that works best for you. Thank you for your help in making this a great fundraiser for CCS.**

CCS Family and Friends Skate Night

Mark your calendars for an awesome night of roller skating and fun. **Saturday night April 30 CCS is renting out Skateaway in Shillington.** This skating event is not just for CCS families . . . it is for your friends too. We will have the skating rink from 5:15pm until 7:00pm all to our-

selves, but if your family wants to skate longer you could stay until 9:00pm and join the rink's Open Skate. The cost for this Family and Friends night is free (with the exception of your skates). That's right, no cost for the rink rental - you only have to pay for your skate rental (\$3 for regular skates and \$5 for inline skates). To make this night even better, each person who comes will get a voucher for a slice of pizza and a drink . . . for FREE. How awesome is that?! More information will come out as the event draws closer, but plan on joining us at Skateaway for a great CCS Family and Friends night

PA Cutting Boards

The High School Woodshop class recently completed a project of note. Using plywood, table saws, bands saws and routers, the class made kitchen-safe cutting boards in the shape of The Commonwealth of Pennsylvania. Some chose to bring out the natural beauty of the wood by itself, while others personalized their work with family, a railroad

and Phillies logos. They are all oiled and ready to use everyday at home. If you would like to order a cutting board, just ask the school office.

Masking on Buses

Because of updated CDC guidelines, many of our busing districts have changed or will change their policies on masking on their school buses. Rather than calling CCS, parents should check the website of the district in which they live to determine whether or not students need to wear a mask on the bus.

Fundamentals of Grammar

The high school Fundamentals of Grammar class created

new perspectives for comprehending principal parts and conjugations of verbs. Students were challenged to use their creativity and knowledge to create 3D projects explaining this topic.

Greenhouse Growers

Some of our sixth grade students who work with Mrs. Whisler are getting their hands dirty working in the school greenhouse. Nothing really to see yet; they just planted seeds this week. They will be donating the produce to the food pantry across the street.

Lost and Found

Lost and Found items which have accumulated are on display in the hall between the office and the library. Students: please pick up the items that belong to you and take them home. Leftover items will be donated to the Morgantown ReUzIt Shoppe.
