Congratulations!

On Saturday, May 14 the Cougars faced West Shore Christian in the CCAC Lacrosse Championship. The score was close throughout the intense game and WSCA tied it with two minutes remaining. With 4.8 seconds remaining, Leah Watson was fouled attacking the goal and received an 8 meter shot. She scored as time expired to give the Cougars a 10-9 victory. Congratulations ladies on a great season.

TONIGHT!

The MS/HS Evening of Science and Arts AND the Jr. Cougar Showcase will be held tonight.

At 6:00 PM the high school building will be open for families to view various MS/HS science projects on the 3rd floor and MS/HS art displayed in the main hallway and library, including an amazing Feudal Era mural by one of our church history classes.

In addition to the MS/HS Science and Arts exhibits throughout the high school building, our elementary students will be featured in our Jr. Cougar Showcase which will be displayed in our elementary building as well as our elementary annex housed in our middle school building. This showcase features art, Bible, science, and social studies projects as well as projects that our 4th and 5th graders created during their Adventure Days this year about all things Egyptian! This area also opens at 6 PM.

At 6:45 PM families can gather in the gym to hear performances by the MS and HS choirs as well as the 4th/5th Jr. Cougar Worship Team. The evening should conclude around 8 PM. If you have any questions, please contact the main office.
