## Christmas Concerts

Last night our students glorified God at their Christmas concerts at Brick Lane Community Church.

Students of all ages were involved in the celebration. The programs were live-streamed via our Facebook page.

Thanks to the directors, Melissa Paladino and Sean Ellis, the accompanists, the students, the technical support folks, and the families for making the programs an honor to the Lord.

## Report Cards

Report cards were sent home with students last Wednesday. We hope that you have returned the envelopes and inserts (if any) by now. If not, please do so as soon as you return from Christmas break.

their respective All-Tournament teams.

HS), January 19 (ES), and January 26 (Preschool). Additional Open House events are scheduled for February and an evening all school Open House is slated for May 5 from 6-8 PM. Direct interested families to our website, specifically to <https://www.conestogachristian.net/open-house-events>.

## Casting Call for Families

Casting call for all families! Looking for something to do over break? If you would like to take part in a special project to bring cheer on our first CCS snow day, here's what to do: Film a short video (10-20 seconds) of your students or family doing a "snow day" activity. This could be simple, silly, or accurate to what you do at home when school is canceled. The more variety, the better! Keep it "snow day" themed, not Christmas themed. Especially if you have a clip with actual (or fake) snow in it, feel free to use past footage. Upload your clips to Google Drive, and share them with [sarah.herr@conestogachristian.net](mailto:sarah.herr@conestogachristian.net) - you may be featured in an upcoming project!

## A New Houck

Callie Annette Houck was born on December 14 at 8:56 AM. The little girl was 7.2 lbs and 19 1/4 inches. Congratulations and God's blessings to Mrs. Houck and her husband.

## Interactivity at a Whole New Level

### Thanks to CCRES

Students in the 3rd grade are experiencing the benefits of an interactive display experience with help, in part, from a grant from CCRES. CCS was able to purchase a Promethean ActivPanel Interactive Display that works similar to a giant iPad within a classroom. The board was placed in the 3rd grade room as an enhanced resource for Mrs. Nafziger and students. An additional board has been ordered and will be placed on a mobile cart so that it will be accessible in a variety of classes.

CCRES provided funding for several software programs such as Learning A-Z, Brain Pop and Nessy along with the mobile cart to make the board accessible in multiple resource locations.

## Character Trait:

~ Loyalty ~

CCRES is an organization in Chester County that has supported the Conestoga Christian Resource Department for several years with a variety of grants that have enhanced the learning opportunities for our students.

Thank you, CCRES.

A Savior has been born to you, Christ, the Lord.

## Basketball Update

The varsity girls and boys basketball teams both began the winter season with wins in the opening round of the Cougar Classic. On Saturday in the championship games both teams ran into strong opponents and finished as runner up. Congratulations to Faith Riviello and Micah Nyce for making

## Share your Love of CCS ♥

As you get together with family, neighbors, and friends this season, it would be a great time to invite them to an **Open House at CCS in the new year**. The dates for morning open house events in January are January 12 (MS/
