Self Portraits

The High School Painting 2 class has been hard at work creating **self-portraits inspired by the work of artist, Chuck Close**. The students exercised the skill of grid-mapping in order to plan out the proportions of the face

and then used a combination of shapes and monochromatic values in acrylic paint to capture light and form on the face. Each portrait displays the individual intricacies of its artist and showcases how the Lord has created each of these students uniquely for His purpose and glory! These portraits, as well as other works created in art classes this year, will be on display at the Evening of the Science and the Arts in the Spring.

More photos are available on our social media pages.

New Worship Team

Under the direction of Mrs. Gabrielle Draper, one of our preschool teachers/aides/Jr. Cougar moms and her team which includes Miss Danielle Good, our elementary music/art teacher, and Mrs. Brenner, **we are launching a new Jr. Cougar Worship Club/Team**. We are inviting our interested 4th & 5th graders to participate.

The club will meet during recess one Tuesday a month and after school one Wednesday a month. Fourth and fifth grade Jr. Cougars will use their God-given gifts and talents to love, serve, and worship the Lord by participating in the Jr. Cougar Worship Club/Team. The goal of this club is to disciple and share with them the true heart of worship as well as prepare them to lead preschool chapels and eventually elementary chapels too.

Time Capsule

This year's first graders are the class of 2033! Wrap your head around that for a minute! They have been collecting items, taking pictures, and recording current events since we returned to school in January. They are creating a time capsule that they will open in their senior year on 3-3-33!

They won't seal the capsule until June. If you want to send in a small item, picture, or letter to place in their capsule please send it in to the main office attention first grade time capsule!
